## Calhoun College Renovations Receives Project Team Award

The Connecticut Building Congress has awarded the First Place Project Team Award for Building Renovation to the Calhoun College Renovations at Yale University. The need for a total “gut” renovation and expansion of this 75 year old residential complex created an opportunity to instill a new vitality into its landscape, allowing this historic gem to shine once again.

In addition to Towers|Golde, members of the design team include Newman Architects; Dimeo Construction Company; BVH Integrated Services; Michael Horton and Associates; M. A. Caputo Associates, LLC; Electro Tech CP; Leavitt & Associates, Inc.; NER Construction Management, Inc.; The Joseph F. Kelly Company, Inc.; Capasso Restoration; Ricca Newmark Design; Atelier Ten; International Consultants, Inc. Bruce Spiewak, AIA; Strong Cohen Graphic Designers Van Deusen Associates; URS; ATC Associates, Inc.; Virtual Building Logistics; Haley & Aldrich, and Acentech.
